A simple path, at your own pace.

01

Express

Write what feels difficult in a conversation.

02

Choose

Review a small step. Save and edit it yourself.

03

Return

Revisit your saved steps when useful.

Accessible by choice.

ACCESS

Free and Premium

Free access includes eight ordinary-chat messages per day. Monthly or annual Premium removes that daily limit.

CONTINUITY

Help and languages

Immediate-help resources remain available outside the chat quota and subscription. Interface localisation includes regional language variants.

Clear boundaries.

AI-generated responses can be inaccurate. Struggle is not therapy, medical care or emergency monitoring.

Users choose which steps to save and can manage their data in Settings.
